What is a Memory Café?

• A place for individuals living with brain changes and their care partner(s) to have fun together.
• Somewhere to connect with others in similar situations.
• A FREE, safe place where everyone is welcome.
• Enjoy an afternoon of conversation, entertainment, and engaging activities such as music, games, fitness, storytelling, art, and much, much more!
  • A fun new theme each month
  • Introductions and icebreakers
  • Opportunities to socialize and share

Why a Memory Café? People living with brain changes are a valued part of our community. Opportunities to connect with others in a fun, relaxing environment with loved ones are important for everyone’s health and well-being.
